/// Changes in this edition

This second edition, first published July 2021, includes several significant changes and updates to the exam requirements and information. There are no changes to the repertoire lists.

- Initial Grade is now available and we have added all relevant information and updated existing text as necessary
- We have provided additional guidance for the performance as a whole component of the exam
- We have made a change to the own-choice piece requirements to allow unpublished repertoire, including candidates' own compositions
- We have changed our policy on the use of the same piece(s) in more than one exam; this is now allowed
- We have updated the Programme form – in particular, the Candidate ID should now be provided
- We have introduced a new Adapted Instruments policy; instruments adapted for beginners can be used in exams at any grade, as long as all the exam requirements can be met.

A range of updates have also been made to the text to further clarify the existing requirements and information, based on queries and feedback received since the Performance Grades qualification was launched in summer 2020.

The overarching *Qualification Specification: Music Performance Grades* document, which has other important and relevant information for those preparing for Performance Grades, has also been significantly updated.

This August 2022 version has been issued to reflect changes to accompaniment requirements; we now permit recorded accompaniment in Performance Grade exams [Section 3]

3. Bowed Strings Performance Grades syllabus

Introducing the qualification

Performance Grades, introduced by ABRSM in 2020, run alongside and provide an alternative pathway to our long-standing Practical Grades. They allow learners to focus on and showcase their performance skills if that is their preference. The suite of qualifications has been designed to allow learners to play to their strengths and interests and still have their level of achievement formally recognised with a regulated qualification that attracts UCAS points (in the UK) at Grades 6 to 8. Performance Grades are accessible exams given their sole focus on performance, without the assessment of any supporting tests. Instead they encourage the selection of appropriate repertoire to be delivered in a sustained performance, even at the earliest levels.

Musicians learn to play an instrument to explore and perform repertoire, which is why pieces, and the way they can be combined to create a convincing and sustained performance, are the focus of the exam. For Performance Grades, candidates are asked to present four pieces at each grade.

ABRSM Performance Grades draw on the same repertoire set for our Practical Grades. This syllabus repertoire is organised into lists, which explore different traditions and styles, dating from the Renaissance period to the present day. Choosing repertoire from different lists gives candidates the opportunity to perform a balanced selection and demonstrate a range of skills.

Since Performance Grades focus on performance alone, the choice of repertoire is important, and attention should be given to the way pieces are contrasted, the order in which they are presented, and the different moods and characters they inhabit. This will enable candidates to demonstrate their ability to deliver a coherent and convincing performance event, not just a series of individual pieces. Credit for this is given through the performance as a whole assessment criteria that are applied.

Performance Grades: requirements and information

The syllabus repertoire is valid until 31 December 2023*.

This section provides a summary of the most important points that teachers and candidates need to know when taking ABRSM Performance Grades for Bowed Strings. Further details, as well as administrative information about the exams, are given in ABRSM's Exam Regulations (available at www.abrsm.org/examregulations) which should be read before booking an exam.

Instruments

The Performance Grades syllabus requirements have been designed for the standard instruments covered. ABRSM recognise that many learners start their musical journey by using an instrument specially adapted for younger/smaller players. We welcome the use of these instruments in our graded exams in accordance with the details set out in our Adapted Instruments Policy, available at www.abrsm.org/policies.

Candidates are required to perform on acoustic instruments (electric instruments are not allowed). Viola candidates may play on a violin strung as a viola.

Performance as a whole

Performance skills are at the heart of Performance Grades, and go beyond the preparation of individual pieces. Designing programmes that play to learners' strengths as performers, and

then delivering them with a real sense of musical intent and communication, is central to musical development. This also builds stamina, and embeds the technical control required to play a whole programme through, including managing the transitions from one piece to another. Finding ways to put across the mood and character, and really get inside the style of different types of repertoire, as well as arranging pieces into coherent and compelling programmes will in turn increase learners' knowledge and understanding of music more broadly.

For full details of how the performance as a whole component of the exam is assessed, see Section 4 of the *Qualification Specification: Music Performance Grades*.

Selecting repertoire

Number of pieces: Candidates present four pieces in one continuous performance (without a break). They choose at least one piece from each of the three lists (A, B and C). The fourth piece can be from the repertoire lists or a piece of the candidate's choice. The pieces can be performed in any order. See further programming requirements within this 'Selecting repertoire' section before finalising choices.

Own-choice piece: The following options and restrictions apply to the own-choice piece selection:

- The piece should be broadly the same standard, or above, as repertoire set for the grade being taken (prior approval from ABRSM is not needed, and can't be given).
- The piece may be chosen from any of the repertoire lists set for the grade, as long as all other requirements within this 'Selecting repertoire' section are also met, including the minimum duration. Performing all four pieces from the lists gives no advantage.
- The piece may be a candidate's own composition or arrangement (see 'Own composition').
- The piece must exist in a legible and fully-notated score using standard music notation (e.g. not in tab, not a lead sheet if candidate is playing a harmonic instrument etc.) and must be performed as notated in that score.

In cases where there is a concern about the standard of an own-choice piece presented, ABRSM reserves the right to request a copy from the Applicant where we cannot readily access one ourselves. This may delay the issuing of the exam result.

- At Grades 6 to 8, the piece may be performed on a related instrument (see 'Related instrument option').
- The piece may be a duet at any grade, as long as there are no more than two duets in the programme at Initial Grade to Grade 3 and it is the only duet at Grades 4 to 8.
- The piece may be an unaccompanied piece, as long as there are no more than two unaccompanied pieces in the programme.
- The piece must not last less than the following timings for each grade (unless the overall programme time would be exceeded; see 'Programme times'):

	Grade								
	Initial	1	2	3	4	5	6	7	8
Minimum duration (mm:ss)	00:20	00:25	00:30	00:35	00:45	01:00	01:30	02:00	03:00

The duration for each grade is the minimum time required in order to demonstrate the breadth and depth of skills required, including stamina.

The other programming requirements described in this ‘Selecting repertoire’ section must also be met.

Programme times: The overall performance, including transitions between pieces, should not exceed the maximum programme time set for the grade, as shown in the following table. The programme time is the duration from the first note of the performance to the last. The examiner may stop listening to the recording if the candidate’s performance goes over the maximum programme time.

	Grade								
	Initial	1	2	3	4	5	6	7	8
Maximum programme time (minutes)	5	6	7	8	10	12	15	20	25

Accompaniment: A piano or string (where the duet option is taken; see ‘Duets’) accompaniment is required for all pieces, except those that are published as studies or unaccompanied works (these are marked **SOLO** in the repertoire lists).

At Initial Grade to Grade 3, candidates may perform *up to two* of their pieces with a string accompaniment. Pieces on the repertoire lists that are published as duets (or with string accompaniment only) are marked **DUET**. Pieces on the repertoire lists that are published with piano and string accompaniment options are marked **PF/VN**, **PF/VA**, **PF/VC**, or **PF/DB**, and may be performed with either accompaniment.

Candidates provide their own accompaniment, which may be live or recorded. An accompanist may be the candidate’s teacher. If necessary, an accompanist may simplify any part of the accompaniment, as long as the result is musical. Recorded accompaniments may be commercially-available tracks or recordings made specifically for the candidate’s exam. Full guidance on the use of recorded accompaniments in exams is available at www.abrsm.org/performancegrades.

Duets: At Initial Grade to Grade 3, candidates may perform a duet (or piece with a string accompaniment) for *up to two* of their pieces. At Grades 4 to 8, *one* is allowed. (See ‘Accompaniment’.)

Unaccompanied pieces: Candidates may choose to perform *up to two* unaccompanied pieces. Unaccompanied pieces are marked **SOLO** in the repertoire lists. Pieces that are published with an accompaniment must not be performed unaccompanied.

Composers: Up to two pieces by the same composer may be performed. Where two or more pieces/movements by a composer are required by the syllabus (i.e. under one list number and indicated with an ‘and’), these are considered as one ‘piece’.

Own composition: ABRSM welcomes the inclusion of candidates’ own compositions, or arrangements, to be performed as their own-choice piece. We will not judge or provide feedback on the structure or quality of the composition, only the performance of it. However, as with any other own-choice piece, the technical demand of the composition must be broadly the same as repertoire set for the grade being taken.

Repertoire lists: Every effort has been made to feature a broad range of repertoire to suit and appeal to candidates of different ages, backgrounds and interests. Certain pieces may not be suitable for every candidate for technical reasons or because of wider context (historical, cultural, subject matter, lyrics if an arrangement of a song, etc.). Pieces should be considered carefully for

their appropriateness to each individual, which may need consultation between teachers and parents/carers. Teachers and parents/carers should also exercise caution when allowing younger candidates to research pieces online: www.nspcc.org.uk/onlinesafety.

The repertoire lists are the same as for ABRSM Practical Grades. Candidates intending on taking both qualifications at the same grade may find their musical development benefits from preparing different pieces for each.

Exam music & editions: Wherever the syllabus includes an arrangement or transcription (appearing as 'arr.' or 'trans.' in the repertoire lists), the edition listed in the syllabus must be used. For all other pieces, editions are listed for guidance only and candidates may use any edition of their choice. This includes editions that are downloaded. Information on sourcing exam music is given on page 7.

Vibrato: The use and control of vibrato, and its effect on tone and shape, will be taken into account by examiners, who will be assessing the overall musical outcome. Pieces that are heavily reliant on vibrato for their full musical effect tend not to appear in the syllabus before around Grade 5.

Repeats: In most cases, da capo and dal segno indications must be followed but other repeats may be included, or not, at candidates' discretion (in order to achieve a musically satisfying performance). If the syllabus specifies that a repeat should be included, this instruction must be followed. If the syllabus indicates that a da capo/dal segno should be omitted, candidates have the option to include or not. The maximum programme time should also be taken into consideration when deciding whether to include repeats (see 'Programme times').

Cadenzas & tuttis: Unless the syllabus specifies differently, the inclusion of cadenzas, and/or orchestral tuttis in full, is left to candidates' discretion in order to achieve a stylistically appropriate and musically satisfying performance. The maximum programme time should also be taken into consideration when deciding whether to include cadenzas or tuttis (see 'Programme times').

Related instrument option: At Grades 6 to 8, candidates may choose to play their own-choice piece on a related instrument. The related instruments accepted are shown in the following table. The piece chosen should be composed for the instrument used. No extra marks are awarded for playing a related instrument.

Main instrument	Related instrument
Violin	Viola
Viola	Violin
Cello	Viola da Gamba

Preparing for the exam

Programme form & pre-performance procedures: Candidates should complete a programme form and show it to the camera, for approximately five seconds, at the start of the exam recording. A form that can be printed and completed is provided on page 68. Alternatively, the required information can be written on a blank piece of paper. The piece information required should be given in the order the pieces will be performed.

As well as showing the form to camera, candidates should show the opening of their own-choice piece and announce themselves and their pieces before beginning their performance. Candidates taking a Grade 6, 7 or 8 must additionally show a form of photographic identification to the camera. This is because these qualifications can be used either as a prerequisite for higher grades and diplomas, or as part of a university application.

If preferred, a Responsible Adult present may show the form and music to camera (but not the ID, where applicable) and make the introductory announcement, as this does not form part of the performance. The assessment of the performance begins on the first note of music played.

More information on all of the above is given in the Guidance for Music Performance Grades available at www.abrsm.org/performancegrades.

Interpreting the score: Printed editorial suggestions such as fingering, bowing, metronome marks, realisation of ornaments, etc. do not need to be strictly observed. Whether the piece contains musical indications or not, candidates are encouraged to interpret the score in a musical and stylistic way. For pieces in a jazz style, candidates may add slight embellishment, as stylistically appropriate, but not include extensive improvisation. Examiners' marking will be determined by how candidates' decisions contribute to the musical outcome of each individual piece and to the performance as a whole.

Performing from memory: There is no requirement to perform from memory although candidates are encouraged to do so, if they believe it will enhance their performance. No extra marks are directly awarded for performing from memory.

Ossias: Where an ossia (alternative musical line or note) occurs in the music, candidates may choose either option unless the repertoire list specifies differently.

Tuning: Tuning should be completed before the exam recording is started. Once the performance of the programme has begun, candidates are responsible for any tuning adjustments that may be needed (all grades).

Page-turns: Candidates need to manage any page-turns appropriately to avoid any adverse effect on the performance as a whole, which examiners will be assessing. Candidates (and accompanists) may use an extra copy of the music or a photocopy of a section of the piece (but see 'Copyright') to help with page-turns. They may also use a page-turner (prior permission is not required; the turner may be the teacher).

Copyright: Performing from unauthorised photocopies (or other kinds of copies) or illegal downloads of copyright music is not allowed. In the UK, copies may be used in certain limited circumstances – for full details, see the MPA's *Code of Fair Practice* at www.mpaonline.org.uk/mpa-guidelines. In all other cases, application should be made to the copyright holder before any copy is made. Care should also be taken when making arrangements, as permission will be required in the case of copyright music.

Candidates and Applicants are expected to act within the law with regard to copyright. ABRSM may withhold the exam result where we have evidence that this is not the case.

Sourcing exam music: Exam music is available from music retailers and online, including at the ABRSM music shop: www.abrsm.org/shop. Every effort has been made to make sure that the publications listed will be available for the duration of the syllabus. We advise candidates to get their music well before the exam in case items are not kept in stock by retailers. Non-exam related questions about the music (e.g. editorial, availability) should be addressed to the relevant publisher: contact details are listed at www.abrsm.org/publishers.

Diversity

A number of pieces that have been included in past and current ABRSM syllabuses are now recognised as being problematic for a range of reasons. The most prominent of these are songs with links to slavery, minstrel shows, or that come from other forms of entertainment that include racial prejudices and inappropriate stereotypes prevalent at the time they originated. Many of these pieces have become part of the musical canon and global public consciousness without any real understanding or knowledge of their problematic history. As a result, they have been widely used in teaching, in publications and on exam syllabuses. These pieces are offensive and inappropriate, both when they originated and now, and are not a reflection of ABRSM's values.

There are also instances in 'western' music where composers have written pieces drawing on influences or elements from musical cultures outside their own in ways that may be considered demeaning or inappropriate.

As we all continue to educate ourselves in this area, we at ABRSM are becoming more aware and sensitive to these problematic associations and are committed to promoting music that reflects the values of a modern, fair and diverse society as we move forward.

In the meantime, we have chosen to flag any problematic pieces that we are aware of rather than remove them from any current syllabus entirely (they are marked  in the repertoire lists). This approach is primarily so as not to disadvantage learners and their teachers who have put work into preparing them for exams in good faith. Instead, we are highlighting that certain pieces have a problematic history, the fact that racial prejudices exist and are harmful, and that we must all recognise and learn from history in order to achieve a more inclusive future. In doing so, we hope that the information may be used as another facet of the learning experience, beyond the music itself. Teachers and parents/carers may wish to avoid these pieces entirely or exercise caution in allowing children to research their history, and any lyrics, in more detail.

ABRSM is committed to creating greater diversity, equality and inclusion in the field of music and we are actively working to achieve this across key areas of our operations. Our Diversity Statement, and regular updates on progress, can be accessed at www.abrsm.org/diversity-statement.
